Health and Safety

There will be changes to our typical day camp to include programming that best follows the CDC's guidelines on safety and cleanliness. To achieve the safest possible camp experience, we have reduced our camp sizes, and all campers and staff will be required to wear face coverings during camp. Our counselors are planning socially distant group activities and are excited to have your camper with us!

Fees and Refunds

Fees are due in full upon registration. We accept cash, check (payable to Indy Parks), and credit card. If a request for cancellation is made more than two weeks before the beginning of camp, a credit will be issued to your Indy Parks account minus a \$15 cancellation fee. If a camper is withdrawn less than two weeks prior to the first day of camp, only 50% of your costs will be credited to your Indy Parks account. No cash, credit card, or check refunds. A \$15 fee will be charged when transferring from one camp to another.

Holliday Park Nature Discovery Camps

Summer 2021

About Our Camps

Holliday Park camps offer children a chance to explore nature through hands-on experiences. Each day includes a nature lesson, hike, healthy snack, and craft. Experienced camp counselors maintain a safe environment as they encourage children to enjoy learning and spending time outdoors.

Camps are child-only programs. Campers must meet the minimum age requirement by the start of camp to register. More detailed information will be emailed before the beginning of camp, so please, have a current email address on file.
