ABOUT OUR CAMPS

Holliday Park camps offer children a chance to explore nature through hands-on experiences. Each week includes nature lessons, hikes, games, crafts, adventure and a daily healthy snack. Experienced Camp Counselors create a safe environment that fosters creativity and growth while teaching children that learning and fun can go hand-in-hand.

Camps are child-only programs. Campers must meet the minimum age requirement by the start of camp to register. More details will be emailed before the beginning of camp, so please have a current email address on file.

FEES AND REFUNDS

Fees are due in full upon registration. We accept cash, check (payable to Indy Parks), and credit card. If a request for cancellation is made more than two weeks before the beginning of camp, a refund will be issued minus a \$15 cancellation fee. If a camper is withdrawn less than two weeks prior to the first day of camp, only 50% of your costs will be refunded. Refunds can be issued as a check mailed to the address used for camp registration or as a credit to your Indy Parks account. No cash or credit card refunds can be issued. A \$15 fee will be charged when transferring from one camp to another.

Health and Safety

There will be changes to our typical day camp to include programming that best follows the CDC's guidelines on safety and cleanliness. To achieve the best possible camp experience, we have reduced our camp sizes, modified activities to include social distancing and all campers and staff will be required to wear face coverings while indoors.
