

Holliday Park

2022 Garden & Grow

Fridays 9 a.m. to 11 a.m.

Sponsored by Holliday Park Foundation

Led by Chris Turner & Kelly Frank of uTopos Gardens

Gardeners of all skill levels are invited to volunteer. The first Friday of each month there will be a learning session on a garden related topic. See the 2022 topics below. Tools & refreshments provided.

April 1 – Garden Mindfulness – Gardening can be about knowing when to control and when to let the plants do their own thing.

May 6 – Steve Cline will talk to us about tools and tool care.

June 3 – Propagating Shrubs – This is a great time of year to take softwood cuttings of favorite shrubs.

July 1 – Dan Boritt – The always entertaining Dan will give talk. TBD

August 5 – Garden Memories – Often there are special plants in the garden that came from friends. Feel free to bring a memory to share and a piece of a plant.

September 2 – Tour Chris Turner's home garden.

October 7 – Fall Foliage – Take a tour of trees and shrubs in the park that put on a great fall show.

November 4 – Overwintering Plants – Chris will demonstrate how to care for plants that can't make it through a Zone 6 winter.
