

FIELD TRIPS AT THE ICE RINK

Embrace the magic of winter with captivating field trip opportunities at the Ice Rink at Holliday Park. It's time to combine education and excitement as we offer three engaging topics: delve into the intricate science of snow, witness the wonder of adapting wildlife, or glide into the world of ice skating. Each field trip includes an enriching lesson indoors followed by an exhilarating open skate session on the pristine ice. Join us for an unforgettable journey of discovery, exploration, and icy fun that your students will cherish for years to come. Field trips are available Tuesday - Thursday, grades K-12.

THE SCIENCE OF SNOW

From tiny specks to big fluffy puffs and everything in between, let's take a closer look at the science of snow formation and the math of snowflakes. Laps around the ice rink will help solidify students' new knowledge.

WINTER WONDER

Learn how animals survive the winter months. From storing food to growing a thicker coat, native wildlife have lots of tricks to help them handle the chilly weather. Use those tricks to help bundle up when you head out onto the ice rink.

LEARN TO SKATE

View an informational video with expert tips before testing out your fancy footwork on the ice.

SCHEDULING A FIELD TRIP: To schedule a field trip, or for additional information regarding programs offered, call (317) 327-7180. We recommend calling at least one month prior to your desired trip date as the calendar does fill. When calling, be prepared with the following information: Program topic, number of students and adults, and program date, time, and at least one alternative.

PROGRAM FEES: On-site, hour-long field trips are \$5 per student with a \$50 minimum. Parents and chaperones are free, with a suggested adult-to-child ratio of 1:8. Programs are limited to 60 students per hour. Larger groups can be accommodated, please call for details. Schools with a minimum of 40% of students receiving free or reduced lunches are eligible for discounted field-trip fees. Payment is expected in full on the day of the program. Cash, credit, and checks made payable to Indy Parks are accepted.

FIELD TRIP FUNDING: The Holliday Park Foundation, in partnership with the Junior League of Indianapolis, is pleased to offer a funding program that helps cover costs for educators interested in visiting Holliday Park. Funds may be used to cover program fees and transportation. This program fund is designed to distribute funds in amounts up to \$500 so all students in Marion County may have the opportunity to attend Holliday Park programs. To learn more about the Field Trip Fund, or print an application, please visit www.hollidaypark.org/environmental-education-field-trips/.
